THE FOLLOWING INFORMATION IS INCLUDED IN THIS RFP:

- BID Q & A

C2: Internal Connections: WAP/CABLING

QUESTION 1: Do you have maps indicating current AP placement?

ANSWER 1: Yes. They are attached to this document.

QUESTION 2: For the current AP's that will be moved from their current location in hallway to closest classroom, who is physically moving that AP?

ANSWER 2: We will be moving current AP's.

QUESTION 3: For those AP's that are moving, is there enough cable to move? For instance, in the HS, there is an AP being moved from Cafeteria to Room 22?

ANSWER 3: There should be enough cable. We will be swapping the Hallway AP390 with the Cafeteria AP230 then moving the AP230 into classroom 22.

QUESTON 4: There is cabling for all of the new AP's, correct?

ANSWER 4: No. The only existing cabling for a new AP is in Room 6 at the HS.

C2: Internal Connections: NETWORK SWITCHES

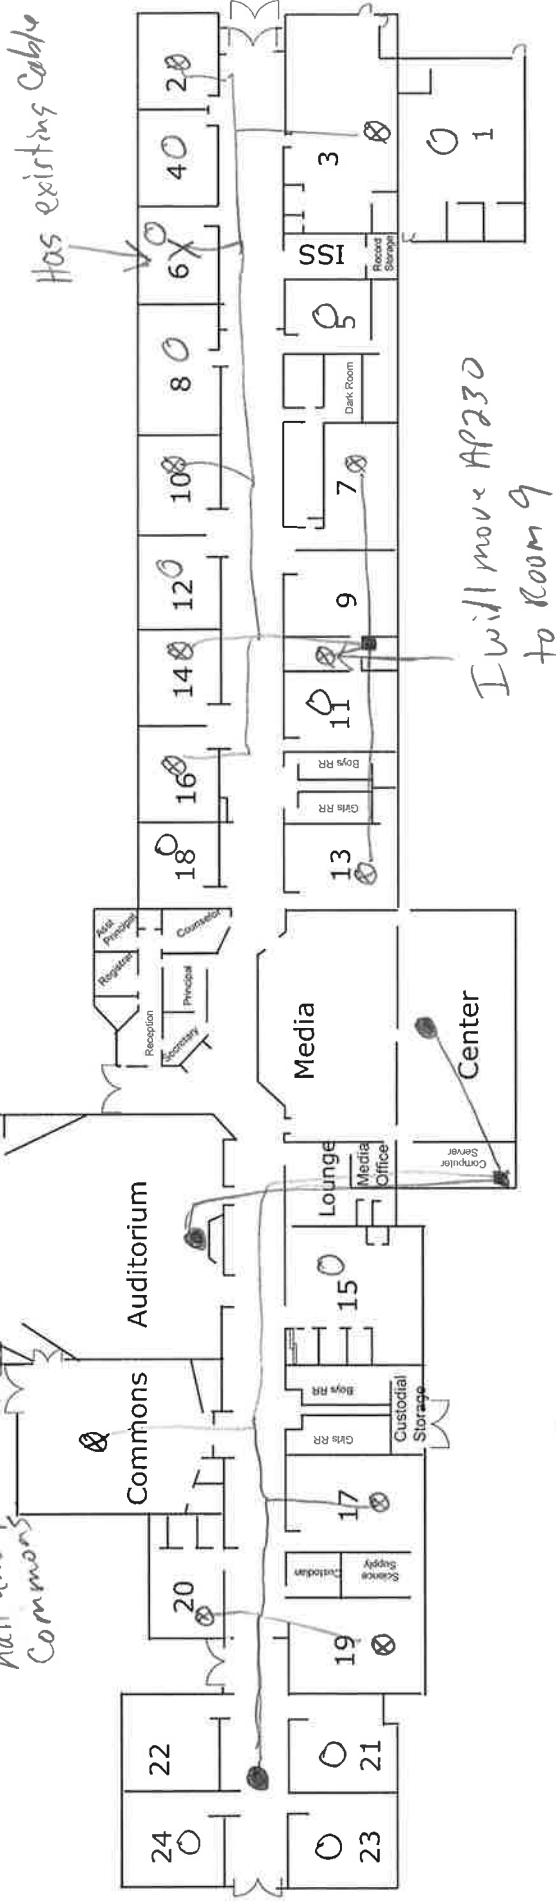

QUESTION 1: You are only requesting one network switches at each of the 4 sites. Is this going to be the head-end switch or just replacing an existing switch?

ANSWER 1: We would like to replace the head-end switch for now and in the future replace the rest of the switches.
